R3,470

The HyperX Alloy Origins™ is a compact, sturdy keyboard featuring custom HyperX mechanical switches designed to give gamers the best blend of style, performance, and reliability. These key switches have exposed LEDs for stunning lighting with an actuation force and travel distance elegantly balanced for responsiveness and accuracy. Alloy Origins is built with a full aluminum body so it stays rigid and stable when keystrokes are flying, and also features keyboard feet that let you choose from three different tilt levels. Its sleek, compact design frees up space for mouse movement, and it also features a detachable USB Type-C cable for supreme portability.

Customize your lighting, craft macros, and adjust Game Mode with HyperX NGENUITY Software. This powerful, yet easy-to-use program lets you set per-key lighting, layer dazzling lighting effects, and

add scores of other personalized touches to your NGENUITY-compatible products.

HyperX mechanical switches

Stunning radiance paired with six effect presets; Color Cycle, Spectrum Wave, Breathing, Solid, 5 Zones, and Aurora.

Full aircraft-grade aluminum body

The aluminum casing keeps the keyboard structurally sound and stable when the action gets intense and the game hangs in the balance; battle after battle, night after night.

Compact, portable design with detachable USB Type-C cable

The small footprint gives you plenty of room for rapid mouse movements. It also has a detachable cable so it's easy to take on the go.

RGB backlit keys with radiant lighting effects

HyperX mechanical switches feature an exposed LED for brighter, more luminous RGB lighting.

Three adjustable keyboard tilt angles

Adjust the two-step keyboard feet for three different angle settings (3°, 7°, or 11°), whichever makes your wrists the most comfortable.

Onboard memory for three profiles

Create your own custom-designed lightshows, save them directly to the keyboard, and take them with you on the go.

Game Mode, 100% anti-ghosting, and N-key rollover
