

LevelOne 12-Outlet Intelligent Power Distribution Unit, 200-240V AC

Model: IPS-1201E

Manufacturer: LEVELONE

EAN: 4015867205372

Product Code: 461818

R12,773

IPS-1201 series is a Power Distribution Unit (PDU) which fitted with multiple outputs designed to distribute electric power, It offers a real-time remote load monitoring of connected equipment and a individual outlet power control for remote power recycling, manage power-on or power-off sequencing of equipment.

IPS-1201 series provide reliable power distribution coupled with remote power and environmental monitoring via network interface to view power, temperature and humidity levels via Web browser, and receive SNMP-based and email alerts when conditions exceed defined thresholds. IPS-1201 series own the PIPS/POPS technology which delivers a more accurate level of data center power
