Steelplay Wireless Controller 6 Interchangeable Buttons (Switch)

Model: JVASWI00065

Manufacturer: STEELPLAY

EAN: 3760210996063

Product Code: 462176

R1,624

The Steelplay® wireless controller offers a gaming experience that suits your style. Interchange the joysticks, the D-pad, the action buttons to play as you like. The modular cover allows you to customize your controller and give it your own style (2 covers in the Joy-ConTM colors included). And with the control disc, adapt the directional cross to the game you choose to challenge!

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
