Model: MT122

Manufacturer: MOUSETRAPPER

EAN: 7350071401224

Product Code: 465000

R8,057

The Advance 2.0+ is the upgraded version of our bestseller Advance 2.0. In common with the Advance 2.0, it has no less than 8 programmable keys, but with the same luxurious wrist support featured on the Mousetrapper Prime. The strain-reducing wrist supports can be wiped clean, and kept clean and fresh using a disinfectant. Can handle disinfectants containing up to 85 % alcohol. The 8 progammable keys give you a range of options to customise your Mousetrapper to your exact requirements. Download MT Keys to change key functions quickly and easily, user profiles and much more. The software is available for both Mac and PC. Advance 2.0+ also has a non-foldable keyboard underlay to ensure your Mousetrapper fits perfectly with any low-profile or standard high-profile keyboard.
