projects.

Mighty tough

Ready for the rough and tumble. Shoot on location and wander the wild, while feeling confident your data is securely resistant against water and dust with an IP65 rating. The rugged design and advanced outer elastomer add extra durability to even endure a 3-meter drop.

For your life's devices

Effortlessly connect to the tech you use throughout the day: Macs, PCs, Android devices, gaming consoles, and more. Add portable convenience to every part of your life.

Go big with style

Take your pick. 1TB, 2TB or 4TB give you colossal space in sleek colourways of blue, beige, or black. The stylish rubberised grip prevents slips so it stays in your hands. Bring everything with you, and look great doing it.

Management software

Set your password and get the latest firmware updates with Samsung portable SSD software available in PCs, Macs, Android smartphones and tablets. You can also check your drive's health, boost performance and protect data with Samsung Magician Software.

World's No.1 Flash Memory

Experience the superior performance and reliability that you can only get from the world's number one brand for flash memory since 2003. All firmware and components including Samsung's world-renowned DRAM and NAND are produced in-house allowing end-to-end integration for quality you can trust.
