Characteristic

SIMPLE BUT STYLISH

The streamline appearance represents the simplicity of the GIGABYTE gaming series design philosophy, sturdy stand and matte finish built for functional and aesthetic features adding more to the characteristics.

OSD Sidekick

GIGABYTE OSD Sidekick allows you to set the display options with keyboard and mouse, giving you the easiest way to adjust monitor settings.

Aim Stabilizer

This feature will reduce motion blur so you will have a better visual clarity that helps tracing the track of bullet and aim the target easily.

Dashboard

The dashboard reveals your real-time hardware information including CPU voltages, clock speed, temperatures, etc. The best part is that it won't be blocked by any games.

Black Equalizer

This feature allows you to have more details of the dark side without overexposing the bright side at the same time.
