R280,196

Discover the future of television with the Samsung QE85QN900BT, an 85-inch 8K LED-backlit LCD TV that redefines visual and audio excellence. This model boasts Quantum Dot technology and Quantum Matrix Technology Pro, delivering picture quality with deep contrasts, vivid colors, and 100% Color Volume. The inclusion of Dolby Atmos, along with Samsung's Active Voice Amplifier and Object Tracking Sound Pro, ensures that the audio experience is as immersive as the visual. Designed for the modern smart home, this TV features built-in Bixby and Google Assistant, Bluetooth 5.2 connectivity, and IoT compatibility, offering seamless integration and easy control. Gamers will appreciate the FreeSync Premium Pro, Super Ultra Wide Game View, and Auto Low Latency Mode, which combine to provide a high-performance gaming experience. The Infinity One design and Infinity Screen, complemented by an anti-reflection coating and Ambient Mode+, ensure that this TV

is a stunning addition to any room, even when it's off. With its advanced features and elegant
