Experience clear picture and smooth performance with Motion Xcelerator. Samsung's clear motion rate algorithms predict and automatically compensate frames, so your picture adapts as fast as your game.

Ultimate gaming TV setup, game-changing experience

Game Bar 2.0 & Super Ultrawide GameView

Never miss another moment of the action with the ultimate gaming TV setup. Allowing you to play at wide 21:9 and ultrawide 32:9 aspect ratios, you can bring the best out of your large screen TV and next-gen console. Plus, the advanced Game Bar lets you quickly adjust critical aspects of your gameplay—whether that's switching aspect ratios, checking input lag, splitting the screen or zooming in—so you can seize winning control.

Knows when you're ready to play

Auto Game Mode (ALLM)

Never miss an overtaking move in your favourite racing game thanks to incredibly low input lag. With Auto Game Mode, your TV knows when you're ready to play so it automatically switches to minimise input lag and optimise picture settings. It's never been quicker to lose yourself in a fantasy world.

Virtual 3D surround sound that follows the action

Object Tracking Sound Lite (OTS Lite)

Object Tracking Sound LITE uses AI and your TV's bottom speakers to simulate overhead sounds. The result? Cinematic, 3D audio that follows the action – all without the need for extra speakers.

Experience the richer sounds of synergy between TV and Soundbar

Samsung Q-Symphony

Like a symphony orchestra, your Samsung TV can collaborate in synergy with your soundbar to deliver amazing surround sound. A simple system that has the ability to work in perfect harmony, by synchronising TV speakers and soundbar together to play sound simultaneously from both devices. Take your audiovisual experience to a whole new level of immersion – all without any complicated set-up. Exclusive to Samsung.

Hear it all with sound perfected to whatever you're watching

Adaptive Sound

Get the perfect audio experience for whatever you're watching with Adaptive Sound. From the latest

boxset to the beautiful game, your Samsung TV adjusts the sound in every scene to what's on screen, so you'll hear every last detail.

One remote to control them all

SolarCell One Remote

Keep your coffee table clutter-free with a universal TV remote control linking to your every device. As it's solar-powered, this all-in-one energy-saving remote charges on indoor light – and preserves its charge thanks to RF (radio-frequency) power harvesting. So you can say goodbye to disposable batteries. Plus, it's also been consciously crafted from eco-friendly resin, so you're helping support a more sustainable future.

Less bezel, more picture

Boundless Screen with Adjustable Stand

A near bezel-less TV designed to leave you with only the beautiful picture to enjoy. It's also flexible enough to work with your home setup too, thanks to a versatile TV stand. Simply adjust the space between the TV screen and stand to fit your soundbar.

Control your smart home from your TV

Connected Living (with Built-in SmartThings)

Control all the devices in your connected smart home system through your Samsung Smart TV with SmartThings built-in. You can monitor home cameras, or see who's at the door from the comfort of your sofa - all to make your life easier, more secure, and more connected. Finally, smart living - made simple.

Free TV, no strings attached

Samsung TV Plus

Get instant access to over 100 channels with TV Plus. Watch top news, dramas, entertainment and more. Free TV, with no subscription, no sign-up, no additional device, or credit card needed.

MultiView

With Multi View, you can play your mobile content alongside the TV program, all at once, on the same screen. Simply cast your phone to your TV with screen mirroring to split the big TV screen *. Handy if you want to keep an eye on the football score whilst watching a movie.
