EAN: 4718755092916

Product Code: 48515

R8,060

Discover the BenQ BL2790QT monitor, designed to enhance your viewing experience and boost productivity. This 27-inch monitor features a flat front bezel and an anti-glare screen, ensuring vivid image clarity and reduced glare in any lighting condition. With a native resolution of 2560 x 1440 and support for 16.7 million colors, it delivers sharp, detailed visuals and accurate color representation.

The BL2790QT is engineered for comfort and convenience, offering extensive display position adjustments including height, pivot, swivel, and tilt, allowing you to find the perfect viewing angle. It also includes a built-in USB hub and supports USB Power Delivery up to 65 W, making it easy to connect and charge your devices directly through the monitor. For those long work or gaming sessions, the monitor is equipped with eye-care technologies such as Flicker-Free and Low Blue Light Plus, minimizing eye strain and fatigue.
