Kingston Technology FURY 32GB 3200MT/s DDR4 CL20 SODIMM (Kit of 2) Impact

Model: KF432S20IBK2/32

Manufacturer: KINGSTON

EAN: 740617318388

Product Code: 48927

R11,303

8GB, 16GB and 32GB capacities up to 3200MT/s

Get your notebook or small-form-factor machine fully equipped with Kingston FURY™ Impact DDR4 SODIMM and minimise system lag. Ready for AMD Ryzen™, Intel® XMP-ready and XMP Certified in kit capacities of up to 64GB, FURY Impact DDR4 features Kingston’s innovative Plug N Play* overclocking technology, which automatically engages the factory preset speed and latency timings without having to change any settings in the BIOS. Designed to run cool, quiet and efficiently at only 1.2V, these sleek black modules provide a hassle-free boost to your system’s performance

Powerful SODIMM performance

Maximise your memory and get a boost to your gaming, multitasking and rendering.

Plug N Play automatic overclocking functionality*

Impact DDR4 automatically overclocks itself to the highest published frequency.

Intel® XMP-ready and XMP Certified

Designed to maximise the performance of our memory modules, our engineers have predefined Intel Extreme Memory Profiles to reach speeds of up to 3200MT/s.

Ready for AMD Ryzen™

Get memory that’s Ready for AMD Ryzen and will seamlessly integrate with your AMD-based SODIMM-compatible system. A reliable, compatible performance boost for your build.

Higher performance with low power consumption

Run your system cool and efficiently with Impact DDR4’s low 1.2V power draw.

Slim form factor, sleek design

The black PCB and sleek thermal label deliver big style with a small footprint.
