SYNOLOGY D4ES04-4G 4GB DDR4 ECC SODIMM RAM

Model: D4ES04-4G

Manufacturer: SYNOLOGY

EAN: 4711174726448

Product Code: 49730

R10,602

The Synology D4ES04-4G memory module enhances system performance with its 4 GB capacity and ECC data integrity check. Utilizing DDR4 SDRAM technology, this DRAM memory type ensures reliable operation for demanding applications. Designed as a SO-DIMM 260-pin form factor, it fits seamlessly in compatible systems, providing stable and efficient performance for computing tasks. With its unbuffered configuration, this memory module offers direct access to the memory banks, promoting faster communication between the CPU and RAM. The system-specific upgrade capability means it is tailored to enhance the functionality of compatible Synology devices, making it a wise investment for those looking to optimize their system's speed and reliability.

Product Description: Synology - DDR4 - module - 4 GB - SO-DIMM 260-pin - unbuffered | Product Type: Memory module | Capacity: 4 GB | Memory Type: DDR4 SDRAM - SO-DIMM 260-pin | Upgrade Type: System specific | Data Integrity Check: ECC | Features: Unbuffered | OEM Manufacturer Equivalent Part Number: Synology D4ES04-4G | Manufacturer Warranty: 5-year warranty
