

INTEL Core Ultra 5 235T 3.4GHz FCLGA18A 24M Cache Tray CPU

Model: AT8076806442

Manufacturer: INTEL

Product Code: 50515

R6,913

The Intel Core Ultra 5 processor is designed to enhance your computing experience with features that improve performance and security. Featuring Smart Cache technology, this processor supports a variety of functionalities, including Intel Quick Sync Video, which enables efficient video processing for content creators and multimedia enthusiasts. With its robust thermal monitoring technologies and integrated virtualization capabilities, users can enjoy a stable and versatile computing environment that caters to both everyday use and demanding applications.

This processor includes an array of security features such as Intel Trusted Execution Technology and Intel AES New Instructions, ensuring that sensitive data remains protected. Intel Deep Learning Boost and Intel Thread Director efficiently manage workload demands, making it suitable for personal and professional applications. Experience a secure computing journey with the Intel Core Ultra 5 processor, tailored for those looking for reliability and efficiency in their devices.

Product Description: Intel Core Ultra 5 235T / 2.2 GHz processor - OEM | Product Type: Processor | Processor Type: Intel Core Ultra 5 235T (Series 2) | Number of Cores: 14-core / 14 threads | Cache: 24 MB | Integrated Graphics: Intel HD Graphics | Compatible Processor Socket: FCLGA1851 Socket |

Processor Qty: 1 | Clock Speed: 2.2 GHz (P-core) / 1.6 GHz (E-core) | Max Turbo Speed: 5 GHz (P-
