Inspired by elven ears, we offer a headset that can stand out and provide features to the user. Get more action with the ZM-HPS700W, which shows off its sleek yet simple finish with several functionalities.

Be free

Free from cords and annoying delays, experience automatic wireless linking with 10M wireless range for your 2.4GHz low latency devices.

Supporting platforms

Wireless & cord (detachable) connection to PC, MacOS, PlayStation and Xbox One.

Clear sound

Experience your atmosphere in 7.1 surround sound. Let the ZM-HPS700W put you straight into action thanks to professionally tuned and powerfully amplified 50mm drivers with a frequency range of 20 Hz - 20,000 Hz.

Sound modes with LED indicator

You're just a button away from three professionally tuned sound modes (gaming, music, live) to enhance your sound experience whatever you're doing (mode LED indicator).

Comfort zone

By locating the volume wheel, microphone mute, LED on/off and preset button on the headset, you can change the setting and eliminate the tedious process.

Microphone functionality

Voice recording area with 360°, the bendable and detachable microphone on the ZM-HPS700W is an excellent choice for gaming communication.

Long-lasting comfort

To keep you away from the heat and provide lasting comfort, we wanted to create a headset with memory foam and breathable fabric (Butterfly Net).

Extend the headset

A sturdy and adjustable headband with a soft fabric finish ensures the durability and good functionality of the headset.

To upload

A rechargeable battery provides up to 12 hours of playtime per charge using the included USB-C to A-type charging cable.

As light as possible

A lightweight headset with a powerful chipset ensures a snug fit that fits your head.

Components

Microphone / USB wireless receiver / USB C to A charging cable / 3.5mm audio cable / audio, microphone splitter.
