Clear and focused sound

Recreating audio exactly the way it would sound.

Stunning virtual 7.1 channel sound

Virtual 7.1 surround sound provides an immersive gaming experience with excellent sound quality.

50 mm neodymium speaker drivers

Neodymium drivers deliver crystal clear low, mid, and high tones with enhanced bass to create an immersive audio experience.

Composite membrane HD (High-definition) speaker driver

The speaker driver of the HPS610 headset with a multi-dome structure design attenuates plosive sounds that may occur during high-pitched sound reproduction, thereby output with a clear sound in high-definition audio profile.

Illuminating RGB light

Simple rainbow RGB light effect on both earcups for gaming vibe.

Digitally enhanced microphone

HPS610 unidirectional microphone has superior noise cancellation and clarity with a detachable, flexible function to meet your everyday need.

Universal Connectivity
