R743

Progress with a capital "P" for your ears – that's what you get with this comfortable headset. No more need to carry your smartphone around with you in your hand - simply because you can control all the main functions from the stereo headset.

- Operate the main functions of your smartphone without picking it up
- Supports the Siri and Google Assistant voice assistants
- Thanks to the integrated microphone you can easily switch between music playback and call answer. So you will no longer miss a call when listening to music.
- The special design of the ear cushions allows you to hear sounds from your surroundings nevertheless
- The flat ribbon cable prevents cable clutter
- The gold-plated coating of the plug ensures secure signal transmission for improved audio quality
