

Stelio ST-SWJ102-PK Junior Pro AI 4G pink

Model: ST-SWJ102-PK

Manufacturer: STELIO

EAN: 5902510616731

Product Code: 512744

R2,633

AI-Powered Voice Assistant: Features Nio AI, a child-safe voice assistant powered by OpenAI, designed to assist with learning and communication. Real-Time GPS Tracking: Utilizes GPS, Wi-Fi, and LBS technologies to accurately locate your child. Safety Zones: Allows parents to set geofenced areas, sending alerts when the child enters or exits designated zones. Emergency SOS Button: Provides a quick way for children to alert parents in case of emergencies. 4G LTE Connectivity: Supports voice calls, video calls, voice messages, and SMS, ensuring constant communication. 5MP Camera: Enables high-quality photos and video calls. Health Monitoring: Includes sensors for heart rate and blood oxygen (SpO2) levels. School Mode: Allows parents to block certain features during school hours to minimize distractions. AMOLED Touchscreen: Features a 1.78" AMOLED display for vibrant visuals. IP67 Waterproof: Offers protection against dust and water, suitable for everyday use. Ample Storage: Comes with 8GB internal storage and 1GB RAM for smooth performance. Long Battery Life: Equipped with a 700mAh battery, providing extended usage time. Data Privacy Compliance: Ensures full compliance with GDPR, safeguarding children's data. Type: Smartwatch for kids | Devices compatibility: Android, iOS | Connection with smartphone: Yes | Wi-Fi: Yes | Bluetooth:
