

Tracer 47787 Mobile Hoop BT 5.4 ANC

Model: TRASLU47787

Manufacturer: TRACER

EAN: 5907512878453

Product Code: 512797

R926

Active Noise Cancellation (ANC) With ANC (Active Noise Cancelling) technology, you can enjoy clear sound without any interference from your surroundings. This is a perfect solution for public transport, the office or during a plane flight. Reliable Bluetooth 5.4 connectivity The modern Bluetooth V5.4 standard guarantees a stable connection and low latency. You can freely listen to music, watch videos or have conversations without interruptions or interruptions. Long Runtime and Fast Charging The built-in 500mAh battery provides up to 30 hours of battery life on a single charge. With the USB-C port, you can instantly charge your headphones so they're always ready to use. In addition to wireless connectivity, the headphones also offer a mini-jack input, giving you complete freedom to use them in different situations and with different devices. Convenient calls and operation The headphones support hands-free calls and work with voice assistants. Plus, the intuitive volume knob makes it easy to quickly control your music and calls. Comfort and mobility Soft and comfortable ear pads guarantee comfort even during hours of use. The foldable design makes it easy to pack the headphones and take them with you anywhere. Construction type: On-Ear | Fastening type: Headband | Folding construction: Yes | Connection: Wired and wireless | Frequency range: 20Hz-20KHz | Impedance: 32 Ω | Built-in microphone: Yes | Noise cancellation: Yes | Wireless
