

Tracer 47524 GameZone GZ X2 Gaming Headset

Model: TRASLU47524

Manufacturer: TRACER

EAN: 5907512874899

Product Code: 512799

R867

Braided cable: The durable braided cable ensures a long service life of the headphones and protection against mechanical damage. The cable is tangle-resistant, which increases the comfort of use. Volume Control: With the built-in volume knob, you can quickly and conveniently adjust the audio level without having to interrupt your gameplay. Flexible headband: The GameZone GZ X2 headphones feature a stretchy fabric that adapts to the shape of your head, keeping you comfortable even during long gaming sessions. The comfortable headband makes the headphones wearable for hours without getting tired. RGB Backlighting: Striking RGB lighting adds style and character to your workstation. You can enjoy dynamic lighting effects that will perfectly complement your gaming environment. Mini Jack: The headphones come with a standard 3.5mm Mini Jack connector, which makes them compatible with most devices – computers, consoles, smartphones, and tablets. Microphone: The built-in microphone ensures clear communication with the band while playing. With the flexible microphone, you can precisely position it so that your voice is always clear and clearly heard. Construction type: On-Ear | Fastening type: Headband | Connection: Wired | Frequency range: 20Hz-20KHz | Impedance: 32 Ω | Sensitivity: 110dB | Built-in microphone: Yes |
