R53,334

The HP EliteBook 6 G1q Notebook blends performance and security, making it suitable for both professional and personal use. Equipped with a Snapdragon X Plus processor featuring 8 cores and a max turbo speed of 3.4 GHz, this notebook provides responsiveness and efficiency for demanding tasks. The inclusion of LPDDR5X SDRAM with a memory speed of 4224 MHz ensures smooth multitasking and seamless operation of applications.

The 14-inch display offers a native resolution of 1920 x 1200 with 300 cd/m2 brightness, enhancing viewing experiences whether working on spreadsheets, watching videos, or engaging in video calls. With features such as dual array microphones and dedicated amplifiers, audio clarity is optimized for meetings and entertainment alike. Security is paramount with features like a fingerprint reader and Trusted Platform Module (TPM 2.0) security chip, ensuring data remains protected while on the go.
