

GEMBIRD KB-109F-B Flexible keyboard USB + OTG black color US layout

Model: KB-109F-B

Manufacturer: GEMBIRD

EAN: 8716309054850

Product Code: 523105

R701

The Gembird KB-109F-B is a reliable external keyboard designed for comfort and durability. It features a wired connection for consistent performance and comes equipped with 109 keys, ensuring a full range of functionality for all computing tasks. The keyboard is dustproof and water-resistant, providing added protection against everyday spills and debris. Its flexible design allows for comfortable typing over extended periods, making it ideal for any workspace environment. With a length of 1.5 m, the USB cable offers the flexibility to connect to various devices easily. The keyboard supports both PS/2 and USB interfaces, making it compatible with a wide range of systems. Compliant with ISO 9002, RoHS, and WEEE standards, this keyboard meets requirements and contributes to a sustainable environment. The Gembird KB-109F-B is a versatile choice for anyone seeking a durable and efficient typing solution.
