Discover the perfect blend of functionality and convenience with the Gembird KBS-W-01 keyboard and mouse set. Designed for seamless compatibility with your PC, this wireless duo offers an uncluttered, cable-free workspace without sacrificing performance. The keyboard and mouse set operates on a 2.4 GHz interface, ensuring reliable connectivity up to 10 m away from the receiver. Precision is at your fingertips with a mouse that boasts a 1000 DPI resolution, ideal for both everyday tasks and gaming. Additionally, the inclusion of a numeric keypad on the keyboard allows for efficient data entry and enhanced functionality. Certified with ISO 9002 and RoHS standards, this set not only meets high-quality expectations but also adheres to environmental and safety regulations. Whether for work or play, the Gembird KBS-W-01 keyboard and mouse set is a smart choice for users looking for reliability and ease of use.
