R2,903

The Logitech MX Keys Mini for Business redefines efficiency and comfort in the workplace. This compact and versatile keyboard is equipped with a rechargeable lithium polymer battery, ensuring long-lasting performance for continuous productivity. Its wireless design, complemented by the Logitech Logi Bolt USB receiver, offers a stable connection up to 10 m away, providing the flexibility to create an organized and efficient workspace. The keyboard's compatibility with multiple operating systems including Android, Apple iOS, Mac, and PC, makes it a solution for various work environments. Additionally, the backlit keys and dedicated buttons for dictation and mute not only enhance typing accuracy in low light conditions but also streamline communication and workflow. Embrace the future of work with the Logitech MX Keys Mini for Business, where functionality meets innovation.
