Model: P19560-B21

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 190017381848

Product Code: 523355

R87,800

The HPE ProLiant DL160 Gen10 server is engineered to deliver high performance, reliability, and scalability. With its support for Intel Xeon Silver processors and scalability, it's designed to meet the demands of growing businesses. The server's flexible storage options, including hot-swap bays and RAID configurations, ensure data integrity and performance. Networking is made efficient with dual Gigabit Ethernet ports, PXE support, and Wake on LAN, facilitating seamless connectivity and management. Advanced remote management capabilities through HPE iLO, IPMI 2.0, and SNMP 3
