

Lenovo ThinkSystem SR630 V2 server Rack (1U) Intel Xeon Silver 4309Y 2.8 GHz 32 GB DDR4- SDRAM 1100 W

Model: 7Z71A088EA

Manufacturer: LENOVO

Product Code: 523403

R94,148

ThinkSystem SR630 V2 Rack Server

Built for business, with business-critical versatility

The versatile, highly reliable 1U ThinkSystem SR630 V2 2P rack server is designed to handle hybrid data center workloads, from IT infrastructure and HPC to cloud and hyperconverged.

Future defined data center

Lenovo delivers engineered, tested and certified IT solutions that are high performance, scalable and cost-effective. By combining industry-leading x86 server technology and reliability, partnering to deliver best-in class co-innovation and providing end-to-end peace of mind with Lenovo ThinkShield, XClarity, and Services, Lenovo solutions enable customers to use real-time data to drive actionable insights. As the compute for these solutions, ThinkSystem SR630 V2 makes businesses smarter by providing support for data analytics, hybrid cloud, hyperconverged infrastructure, video surveillance, high performance computing and much more.

Workload-optimized support

ThinkSystem SR630 V2 is tuned for Intel® Optane™ Persistent Memory 200 series. With this second generation of high performing persistent memory tier optimized for 3rd generation Intel® Xeon® Scalable processors, it offers significantly lower data latency, higher capacities and greater value. With data stored closer to the processor, applications can access data faster driving swifter response times for real-time analytics, financial transactions, electronic medical records, fraud detection, and much more.

Flexible storage

Industry leading backplane design for Lenovo AnyBay™ features a choice of drive interface type in the same drive bay: SAS drives, SATA drives, U.2 & U.3 NVMe PCIe drives, or EDSFF-based SSDs. Freedom to configure some of the bays with PCIe SSDs and still use the remaining bays for capacity SAS drives provides the ability to upgrade to more PCIe SSDs in the future as needed.
