

HPE ProLiant MicroServer Gen11 Intel Xeon E-2414 2.6GHz 4-core 1P 16GB-U VROC 4LFF-NHP 180W External PS Server

Model: P68820-421

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 190017701899

Product Code: 523433

R63,395

The HPE ProLiant MicroServer Gen11 is designed to meet the needs of small to medium-sized businesses by offering a balance of performance, security, and connectivity. At its core, a quad-core Intel Xeon processor with Intel Smart Cache and Turbo Boost Technology ensures efficient handling of workloads, while 16 GB of DDR5 SDRAM, expandable and featuring ECC, provides the memory capacity and reliability needed for critical tasks. Storage flexibility is assured with four internal bays for 3.5" SATA drives and Intel VROC support for various RAID configurations, safeguarding data
