

HPE RDX 2TB Removable Disk Cartridge

Model: Q2046A

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 888182523124

Product Code: 523466

R10,315

Does your budget-conscious small business have little or no IT resources with rudimentary backup processes in place? The HPE RDX Removable Disk Cartridge delivers an easy-to-use, affordable, rugged and removable data protection cartridge for servers and workstations. Backups are simple and pain-free with drag and drop file access.

Fast disk based performance provides the ability to store 2 TB of data on a single removable disk cartridge at speeds of up to 360 GB/hr. Long lasting removable disk cartridges and forward and backward compatible RDX docking station reduces ownership cost.

When used with an HPE RDX backup system the solution seamlessly integrates with HPE continuous data protection software providing complete data protection and enabling simple and secure off-site storage.
