

HP Intel Pro 1500 180 GB Serial ATA

Model: G4M04AA

Manufacturer: HP INC.

EAN: 888182657546

Product Code: 523467

R9,660

Simple, proactive management. Use Intel's Setup and Configuration Service (on Intel® vPro™-enabled systems) to remotely manage drives and proactively monitor diagnostics to help identify problems before they arise.

Solid performance. Tackle daily tasks with Multi-Level Cell (MLC) Intel NAND Flash Memory and sequential performance up to 540 MB/s, and random input/output operations per second (IOPS) up to 80K.

Efficient power. Get extended battery life and save on energy costs with low power modes that reduce idle power by over 90% vs. typical hard drives.

Professional-grade data protection. Help keep your data safe with an integrated hardware-based 256-bit AES engine that meets Trusted Computing Group Opal protocols and seamlessly encrypts and decrypts data without compromising performance.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
