R2,930

The HPE LTO Ultrium cartridges meet all your demands for maximum reliability when restoring data, offering high storage density, ease of management and scalable storage and backup performance. From LTO-3 onwards, LTO Ultrium WORM cartridges enable the creation of compliant, permanent and tamper-proof archives. From LTO-4 onwards, secure AES-256 encryption provides even higher levels of data security and compliance with the stringent industry regulations to prevent unauthorized data access. From LTO-5 onwards, HPE LTO Ultrium linear tape file system makes using tape as easy, flexible, portable and intuitive as using other removable and shareable media, such as a USB drive.
