

HPE MSA 2050 SAS DC SFF Storage

Model: Q1J29B

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 190017423746

Product Code: 523653

R229,775

The HPE Modular Smart Array 2050 SAS Dual Controller SFF Storage is a high-capacity storage solution designed to meet the needs of businesses requiring reliable data storage. With support for up to 24 2.5" SFF devices, it offers ample space and flexibility for various storage configurations. Certified by ENERGY STAR, it ensures efficient power usage, making it an eco-friendly choice for your data center.

This storage array is equipped with dual RAID controllers, supporting RAID levels 1, 10, 5, and 6, providing robust data protection and redundancy to safeguard critical business data. Hot-plug power supplies and dual installed controllers enhance system reliability, ensuring continuous operation and minimizing downtime.

Compliance with a broad range of international standards, including RoHS, WEEE, and ENERGY STAR, underscores its commitment to environmental sustainability and regulatory adherence. Whether for expanding storage capacity or upgrading existing infrastructure, the HPE Modular Smart Array 2050 SAS Dual Controller SFF Storage offers a versatile, reliable, and compliant solution for businesses of all sizes.

Product Description: HPE Modular Smart Array 2050 SAS Dual Controller SFF Storage - hard drive
