HPE SSD 1.92TB 2.5inch SAS 12G Read Intensive BC Value SAS Multi Vendor

Model: P40507-B21

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 190017521084

Product Code: 523686

R344,925

Do you need to accelerate the performance of your read intensive applications?
HPE 12 Gb Value SAS Read Intensive (RI) SSDs optimize your enterprise with faster data transfer rates and near price parity compared to enterprise 6 Gb SATA SSDs. HPE Value SAS RI SSDs deliver enterprise features at an affordable price for applications requiring high random read IOPS performance, and are ideal for read caching, social media and web servers' workloads.
HPE 12 Gb Value SAS RI SSDs transfer data at full duplex (bidirectional) allowing greater I/O bandwidth to alleviate bottlenecks at twice the 6 Gb interface of SATA SSDs. A single-ported version of enterprise 12 Gb SAS, HPE Value SAS RI SSDs provide slightly reduced performance in exchange for being price competitive to 6 Gb SATA SSDs.
HPE 12 Gb Value SAS RI SSDs are presented as an HPE Multi-Vendor SKU offering which provides customers with the shortest lead time to available supply on preferably priced HPE Value SAS RI SSDs.
