

SYNOLOGY RS2423+ 12-BAY Rackstation AMD Ryzen Embedded V1780B QUAD CORE 8GB RAM HDD/SSD Only

Model: RS2423+

Manufacturer: SYNOLOGY

EAN: 4711174724895

Product Code: 523766

R61,135

The Synology RackStation RS2423+ is designed to meet the demands of businesses requiring a secure and scalable NAS solution. At its core, an AMD Ryzen quad-core processor and 8 GB of DDR4 ECC RAM ensure smooth and efficient operation, even under heavy workloads. This NAS server supports up to 12 hot-swap drives, offering a wide range of RAID configurations for data redundancy and performance optimization.

Security is paramount, with AES-NI encryption, SSL/TLS, firewall protection, and more, providing robust data protection. Networking capabilities feature dual Gigabit Ethernet and a single 10Gb Ethernet port, along with support for Link Aggregation and failover protection, ensuring your data is
