

SYNOLOGY DS124 1-Bay NAS RTD1619B 1GB RAM

Model: DS124

Manufacturer: SYNOLOGY

EAN: 4711174725014

Product Code: 523771

R4,122

The Synology Disk Station DS124 is a versatile NAS server, designed to meet the demands of both businesses and individual users. Its quad-core 1.7 GHz processor paired with 1 GB of DDR4 RAM delivers reliable performance for a variety of tasks, from file sharing to data backup. With the capability to support up to 108 TB of storage, it offers a scalable solution for growing data storage needs. Energy efficiency is a key feature, with operational power consumption as low as 10.69 watts, making it an eco-friendly choice for continuous operation. Additionally, the DS124 is equipped with USB 3.2 Gen 1 and Gigabit Ethernet ports, providing flexible connectivity options. Its support for up to 12 IP cameras also makes it an ideal choice for setting up a comprehensive surveillance system. Compliant with multiple safety and environmental standards, the Synology Disk Station DS124 ensures data security and durability, making it a smart investment for those seeking a reliable NAS solution.

Product Description: Synology Disk Station DS124 - NAS server | Device Type: NAS server | Host Connectivity: Gigabit Ethernet | Max Supported Capacity: 108 TB | Dimensions (WxDxH): 16.6 cm x 7.1 cm x 22.4 cm | Weight: 700 g () | Processor: 1 x Realtek Semiconductor RTD1619B 1.7 GHz
