

SEAGATE SYSTEMS 2U12 12G SAS EBOD JBOD Rackmount Enclosure Storage System 1m deep dual IO modules 3-12Gb x4 SAS Ext. Con. per mo

Model: J1212X000000DA-02

Manufacturer: SEAGATE CLOUD SYSTEMS

Product Code: 523851

R70,424

The Seagate Exos E 2U12 storage enclosure is engineered to meet the demanding storage needs of businesses, offering a blend of performance, reliability, and scalability. With support for up to 12 Serial Attached SCSI 3 modules, it provides a flexible solution for data growth, allowing for seamless expansion. The device ensures operational continuity through hot-swappable controllers and fans, alongside a robust power redundancy system featuring a dual internal power supply with 580 W and a 1+1 redundancy scheme. Designed to operate in a wide range of environmental conditions, the
