R10,176

Microsoft SQL Server exceeds dependability requirements and provides innovative capabilities that increase employee effectiveness, integrate heterogeneous IT ecosystems, and maximize capital and operating budgets. SQL Server provides the enterprise data management platform your organization needs to adapt quickly in a fast-changing environment.

Standard edition is an affordable option for small and medium-sized organizations. It includes the core functionality needed for non-mission-critical e-commerce, data warehousing, and line-of-business solutions.
