

MS OVL-GOV Lync Svr Plus CAL Software Assurance 1License Additional Product User Cal 1Y-Y1

Model: YEG-00113

Manufacturer: MICROSOFT

Product Code: 524046

R1,683

Meet with up to 250 people - even if they're not on Skype for Business. All they need is a phone or internet connection. See your contacts' online statuses, schedule meetings in Outlook, and start conversations from apps like Word and PowerPoint. Conversations are protected by strong authentication and encryption, and you manage employee accounts and features.
