

Lenovo Windows Server Datacenter 2019

Model: 7S05001AWW

Manufacturer: LENOVO

EAN: 847903000009

Product Code: 524124

R119,297

Windows Server 2019 is the latest Operating System from Microsoft and improves datacenter security, offers unprecedented hyperconverged infrastructure, allows for faster application innovation—all on a unique hybrid datacenter platform.

Enhanced Security Capabilities

For IT professionals, security and compliance is a primary concern. Windows Server 2019 provides capabilities to build high security datacenter environments.

Manage privileged identities. Many breaches can be prevented by protecting administrator credentials. Windows Server 2019 ensure that all apps and system components have just enough access privilege.

Secure the operating system. Discover and address security breaches with integrated Windows Defender Advanced Threat Detection. Help prevent host intrusion with Windows Defender Exploit
