

Lenovo 7S050082WW operating system

Model: 7S050082WW

Manufacturer: LENOVO

EAN: 889488595747

Product Code: 524160

R58,153

Enhanced security capabilities

For IT professionals, security and compliance are primary concerns. The new security capabilities in Windows Server 2022 combine other security capabilities in Windows Server across multiple areas to provide defense-in-depth protection against advanced threats. Advanced multi-layer security in Windows Server 2022 provides the comprehensive protection that servers need today.
