

CA GLP CA ARCserve Backup for Win - 3Years Enterprise Maintenance Renewal

Model: GMRBABWB10E00GJ

Manufacturer: ARCSERVE

Product Code: 524659

R14,317

Want to manage more data in more locations while reducing storage costs? Need better ways to copy data offsite and to the cloud for disaster recovery and archiving. Maybe you want the ability to monitor systems proactively to avoid unacceptable downtime or loss? Or, you'd like faster, more granular recovery in case of an unplanned outage? Well, here's the good news: Now you can accomplish all of this and more, simply and affordably, with ARCserve Backup.

ARCserve Backup is both smart and muscular. It offers features that work together to help reduce the time you spend managing your backups. ARCserve Backup solutions provide "enterprise-class" functionality that is optimized to support your IT architecture, including virtual and cloud-based technologies, no matter how simple or complex your data or your IT infrastructure.

It unites innovative data deduplication technology, powerful storage resource management (SRM)
