

ARCSERVE BACKUP FOR WIN ENT OPT FOR SAP

arcserve

Model: GMRBABWB10E76GJ

Manufacturer: ARCSERVE

Product Code: 524979

R32,147

The Enterprise Option for SAP R/3 for Oracle (the option) lets you back up and restore online and offline SAP R/3 databases and the objects they contain. The option handles all communications between Arcserve Backup and the SAP R/3 database server while data is being backed up and restored. This communication includes preparing, retrieving, and processing the data sent back and forth across the network.
