

SAMSUNG MagicINFO Hosting + NOC 12x7

Model: PR-SPB1H

Manufacturer: SAMSUNG

EAN: 8806092245488

Product Code: 525609

R8,359

During these times of change, early adopters have fully embraced Cloud Technologies. Samsung is changing the way businesses bring content to life with MagicINFO Cloud, a complete digital signage content management software solution. Building upon the success of the existing MagicINFO platform, the cloud-hosted and managed service provides customers with an easy, reliable and affordable web-based offering for the creation, scheduling and delivery of eye-catching content across digital signage networks. Enhanced by data-driven insights, MagicINFO Cloud gives businesses web-accessible control over a variety of displays, a single point platform to create and distribute content, manage and control your connected display end points and an optimized workflow to run seamless media from content creation, publishing through to device management. Product Description: MagicInfo Cloud CMS - licence + 12x7 NOC - 1 licence | Product Type: Licence | Category: Utilities - digital signage software | Installation Type: Hosted - SaaS | Licence Qty: 1 licence | Bundled Support: 12x7 NOC | Service & Support: Technical support
