two-way dynamic speakers. The Galaxy Buds2 gives you well-balanced sound quality that enriches every moment of your audio journey. Hear like you’re there.

**CRYSTAL-CLEAR CALLS**

**Leave noise out**

**of the conversation**

Three microphones and a built-in voice pickup unit help you make clearer calls, while a machine-learning based solution filters unwanted sound so you can better share your world with family and friends. The low protrusion design minimizes wind disruptions to make your outdoors calls come in clear.

**ACTIVE NOISE CANCELING**

**Choose the sound**

**you want to hear**

Two microphones detect ambient noise while Active Noise Canceling blocks unwanted sound. Background noise can be reduced up to 98% to keep you fully immersed in your music, games, audio books, and your favorite podcasts.

**SOUND CUSTOMIZATION**

**Sounds tailored to your taste**

Your every audio experience is tailored to your taste with Galaxy Buds2. With six different equalizer settings to choose from, you'll find your own pitch perfect, vibrant sound that keeps you immersed.

DESIGN

**Looks as good as it sounds**

COMFORT FIT

**The lightest earbuds we've ever made**

Galaxy Buds2 is lightweight (5g each) and keeps music snug in your ears for even the most active lifestyles. With three sizes of soft, flexible silicon tips you can find a custom fit to get the best ANC experience possible. Find your fit with the “Earbud fit test” menu in the Galaxy Wearable app.

**Pick your ear-tip size for full comfort**

FOUR COLOR OPTIONS

**Find your perfect tone**

Classical graphite. Flawless white. Soothing olive. Stylish lavender. Each earbud comes in a fashion-forward design and matching cases to fit your unique taste. With a widely compatible cradle design, the case keeps your earbuds safe, recharged, and easily portable.

BATTERY LIFE

**Plenty of play time, wherever you go**

Whether you're watching your favorite shows, blazing through your playlist, or enjoying the outdoors, Galaxy Buds2 keeps you connected and comfortable all day long. The long lasting battery life gives you up to 5 hours of play-time and 15 more with a fully charged case.

SMOOTH SYNCING

**Switch without missing a beat**

With Auto Switch, moving between your Galaxy devices is easier than ever. Go from watching a movie on your tablet to playing music on the Galaxy Watch4, all hands free. Galaxy Watch4 also supports Quick Buds Control , helping you turn ANC on or off, or check battery life right from your wrist.
