moment to life.

Reduced in thickness, elevated in style

Slimmed down to just 7.9mm in thickness, Galaxy A16 5G slips right into your hand, pocket and daily life. Available in Blue Black, Light Grey and Light Green, it combines elegant design with enhanced portability.

Capture everyday moments like a pro

Take high-quality shots of your everyday life with advanced camera features. Capture memories vividly with a 50MP Main Camera, take clear selfies with a 13MP Front Camera to make each moment shine.

Stay on top of your game with a powered-up processor

With the upgraded 2.4GHz CPU, you can power through your foes fast and stream your favorite show without missing a beat.

Reliable protection for daily life

Now, thanks to IP54 protection, you can go about your day with peace of mind. This added durability means it can handle the little surprises of your day, so you can stay focused on what's important.

Built to last with 6x OS upgrades

Offered with up to 6 generations of OS upgrades and 6 years of security maintenance, your Galaxy A16 5G stays up-to-date for long.

Power up fast, stay powered long

Enjoy what you love without worrying about battery life—the 5,000mAh battery keeps Galaxy A16 5G running strong on a single charge. Plus with Super Fast Charging, it's back in action quickly.
