whether in meetings, presentations, or multitasking at the office. The ambient light sensor and high-resolution 5-megapixel webcam enhance the experience, allowing for high-quality video calls in any lighting condition. This EliteBook is built for durability, having passed MIL-STD-810H testing and equipped with a chassis intrusion sensor for added security. Its spill-resistant keyboard with a multi-touch clickpad ensures convenience, while HP Fast Charge allows users to power up quickly. With multiple USB ports, including USB 3.2 Gen 1 and USB4/Thunderbolt 4, connectivity is made seamless. All these features come together to create a versatile notebook that meets the demands of modern work environments.
