

HPE MSA 2070 32Gb Fibre Channel SFF Storage

Model: S3T80A

Manufacturer: HEWLETT PACKARD ENTERPRISE

EAN: 4549821619931

Product Code: 525742

R552,181

The HPE Modular Smart Array 2070 32Gb Fibre Channel SFF Storage offers a solution for high-capacity storage needs. It supports up to 24 devices or modules, making it suitable for expanding storage capabilities without additional hardware installations. This storage system operates efficiently in demanding environments, functioning within a temperature range of 5°C to 40°C while maintaining up to 85% humidity tolerance. With a total supported storage capacity of 737.28 TB, it is equipped to handle extensive data workloads, ensuring reliable performance for enterprise applications.

Featuring a 580-watt internal power supply with a power redundancy scheme, this storage system promotes energy efficiency with its ENERGY STAR certification and 80 PLUS Platinum rating. It provides various connectivity options, including 32Gb Fiber Channel and Ethernet interfaces, facilitating integration into existing infrastructures. The HPE Modular Smart Array is compliant with multiple environmental standards, ensuring operational efficiency and eco-friendly operation. Its RAID capabilities ensure data integrity and resiliency, making it a dependable choice for data-driven organizations.
