

SSD SYNOLOGY 400GB M.2 NVMe Write speed 650 MBytes/sec Read speed 3000 MBytes/sec TBW 700 TB SNV5420-400G

Model: SNV5420-400G

Manufacturer: SYNOLOGY

EAN: 4711174726189

Product Code: 549996

R13,511

Supercharge your NAS/SAN

Enterprise Series M.2 NVMe SSDs are designed to intelligently work with Synology DiskStation Manager (DSM) to boost I/O performance. These high-performance NVMe drives accelerate the slower but higher-capacity storage space provided by traditional hard drives, enabling cost-effective, in-place upgrades for existing systems.

Consistently fast caching for 24/7 environments

Designed specifically for Synology systems, Enterprise Series M.2 NVMe SSDs are built for maximum performance consistency. Each drive is rated for up to 660,000/120,000 4K random read/write IOPS1 across the usable lifespan of the drive. Endurance of up to 2,900 TBW ensures longevity

Data integrity safeguards

The SNV3500 and SNV5400 Series offer full end-to-end data protection, including power loss protection to ensure data integrity during unexpected shutdowns. These series have capacitors in their power loss protection circuits to safely write cached data to NAND flash memory during power failures, thus preventing data loss.

Summary: Synology SNV5420-400G. SSD capacity: 400 GB, SSD form factor: M.2, Component for: PC/Laptop | Vendor Homepage: <https://www.synology.com/en-global/products/drives/ssd/enterprise-snv> | SSD capacity: 400 | SSD form factor: M.2 | Interface: PCI Express 3.0 | NVMe: Yes | Component for: PC/Laptop | Power consumption (read): 5 | Power consumption (write): 5.5 | Power consumption (idle): 2.5 | Operating temperature (T-T): 0 - 85 | Storage temperature (T-T): -40 - 85 | Unit Calculated Weight: 0.042 | Product Net Weight: 0.01 | Unit Calculated Volume: 0.000266 | Units per Shipping Box: 1 | Unit Width: 9.5 | Units per Pallet: 0 | Shipping Box Height: 2 | Unit Depth: 14 | Unit Height: 2 | Name: SSD M.2 2280 400GB/SNV5420-400G SYNOLOGY | Model: SNV5420-400G
