Desktop-Level Performance, Anywhere

Experience next-level gaming and productivity with up to Intel® Core™ Ultra processors. Enjoy ultrasmooth gameplay, seamless multitasking, and AI-accelerated creative tasks. Connect all peripherals with Thunderbolt™ 4 and boost unplugged playtime with cooler, quieter performance for gaming, streaming, and creating.

Enjoy 3 months of PC Game Pass on Lenovo Legion Devices

Play hundreds of PC games, and day one blockbusters like Halo Infinite and Overwatch 2, with your new Lenovo Legion or LOQ devices and 3 months of PC Game Pass – including EA play. With new games added all the time, there's always something new to play.*PC Game Pass: Subscription continues automatically at regular monthly price unless cancelled. Subject to xbox.com/subscriptionterms. Terms and exclusions apply. Game catalog varies over time, by region, and by device. All rights reserved. xbox.com/pcgamepass, ea.com/ea-play/terms.

Experience Smart Design With Lenovo AI Engine+

Play games at higher FPS, stream smoothly, or explore new workflows with Lenovo AI Engine+ and up to LA1+LA3. Developed over four years, it optimizes system settings based on the game or app you use. This boosts FPS in top AAA games and reduces render times in creation apps, all easily managed through Legion Space.

Experience Whisper-Quiet Gaming with Legion Coldfront: Hyper

Legion Coldfront: Hyper combines turbocharged fans and massive 3D copper heatpipes, all vacuum-sealed for optimized airflow that directs heat away from you, keeping your system cooler and quieter. Effortlessly switch between Quiet, Balance, Performance, and Extreme modes using Fn+Q to match your gaming, coursework, or rendering needs.

Break The Mold

Stay sleek and understated in Eclipse Black. OLED models feature an aerospace aluminum lid with an advanced paint injection process. This gaming laptop uses advanced compounds and polymers to stay lightweight and durable. OLED models are 13% lighter and thinner than the previous model, making it perfect for university students on the go.

Exceptional Ecosystem Experiences

The Legion ecosystem offers a unified design across PCs, handhelds, tablets, monitors, and software for a seamless experience. Legion Space adds evolving AI features for enhanced creativity and gaming. Enjoy out-of-the-box compatibility with driver updates, ensuring reliable performance for years to come.

CREDIBILITY & COLLABORATION

Sustainability

Our goal is to provide smarter technology that builds a brighter, more sustainable future for our customers, communities, and the planet. That's why we pursue industry leading labels and certifications that demonstrate our commitment to sustainability in product design. Together, we can build a smarter future for all.
