Smoother, Clearer, Faster, Than Ever

Flagship AMD Radeon™ Graphics

Powered by AMD Radeon™ Graphics, MP100 boosts gaming speed while delivering uncompromising image quality, and enhances resolution for an immersive visual extravaganza.

Epic Visual Feast Unleashed

4K 144Hz UHD Display

Buckle up for a visual spectacle with MP100's 4K UHD and epic 144Hz refresh rate! Expect nothing less than vivid details and seamless graphics that will rev up your gaming and leisure time.

Mini Monster, Mega Chill

Superb Heat Dissipation System

Ready to max out your gaming and productivity? MP100 comes equipped with a cooling fan providing a maximum airflow of up to 3.86 CFM , supplemented by copper heat pipes and heat sinks, to ensure maximum heat dissipation efficiency and unparalleled performance.

Stay Silent, Stay Driven

Whisper-quiet Design

Easily distracted by sound? Blackview MP100 features a super-quiet fan operating at 2300 RPM , keeping noise levels below 20 dB during everyday office use. Stay laser-focused on your priorities without any noise interruptions.

Connect More, Do Anything, Effortlessly

12 Clever Well-organized Interfaces

Decked out with 12 clever well-organized interfaces , MP100 turns your desk into command central—connect everything from headphones to keyboards in a snap. It's a perfect match for up to 99% of the peripherals out there, giving you a powerhouse of functionality and ease.

Tripled Vision, Tripled Productivity

Triple 4K Display Support

Max out your multitasking with Blackview MP100. Its HDMI, DP, and USB-C ports enable a seamless 4K triple-monitor support for peak productivity and top-notch entertainment.

Mini Size, Mega Power

Space-saving Design

Small but mighty, Blackview MP100 is a true powerhouse packed into a tiny package. Its space-saving design allows it to effortlessly fit into any space , providing the performance of a full-size PC in a compact form factor perfect for use on the move.

Illuminate Your Victory Horn!

Cool RGB ambient light kick up the intensity of fierce gaming battles, bringing the thrill right to your fingertips for a super immersive feel.

Freedom to Mount, Space to Spare

VESA Back Mounting Support

Mount MP100 behind your monitor using a VESA bracket to minimize space usage while maximizing aesthetics—a clean, clutter-free zone.
