PC MINI MP60 N150/16/512GB NO OS BLACKVIEW

Model: MP60 N150 16+512GB

Manufacturer: BLACKVIEW

EAN: 6931548319559

Product Code: 550278

R4,819

Compact Yet Powerful

MINI PC MP60

0.852L Exquisite Design

More Spacious, More Efficient

Blackview MP60 has only 0.852L ultra-small volume, 390g lightweight, and gets things done just like a PC, in a much more small package.

Small Body, Functional Operation Work Like On A PC

Thanks to the excellent integrated design, Blackview MP60 has highly integrated with the traditional desktop motherboard, CPU, memory, hard disk, heat sink, and other hardware in a palm-sized main chassis, which comes with more convenience in the office and entertainment.

11th Gen Intel Celeron N5095.

Farewell to Computer Crash

Blackview MP60 is equipped with NEW 11th generation Intel® Celeron® processor N5095, with a burst frequency of up to 2.9GHz, which can help you deal with fast web browsing, document editing, and speech presentation browsing to meet daily office and entertainment needs.

16GB RAM + 512GB ROM + up to 2TB Expansion

Multitasking Made Easier

Up to 16GB of DDR4 operation memory and 512GB solid-state drives, giving ample room for a bulk of valuable multimedia files to have everything right at your operation and blow through your pleasure anytime.

2TB Expandable Storage

2TB of Expandable storage, helping you treasure your favorite movies, cherished snapshots, meaningful videos, or valuable audio without breaking a sweat.

Superb Heat Dissipation

More Smooth. More Fluidity

Blackview MP60 dedicates the CPU to thermal solutions with a newly designed large-windowed cooler fan to ensure maximum performance. With a fan speed of 5600 rpm and heat dissipation area of 25500mm², the fan will always keep MP60 host at 95°F. An efficient cooling fan will make the system more stable and the CPU life longer.

Noise Reduction Design

Always Quiet. Sleep Undisturbed

Does the noise interrupt your thought? Blackview MP60 has a built-in noise-canceling radiator that will reduce noise to less than 38 dB, which is quieter than the noise value of 40dB in the library, providing a comfortable environment that allows you to be more productive.

4K Ultra HD Display

Exceptional Visual Feast

Blackview MP60 supports 4K Ultra HD graphics, with four times the pixel count of 1080p, capturing more details on the screen to look lifelike, giving you an ultimate visual experience.

Dual HDMI Ports

Doubled Productivity

Equipped with dual HDMI ports, Blackview MP60 allows for simultaneous dual-screen operation via HDMI Port, doubling the efficiency of office and entertainment.

Various Interfaces

More Connectivity. More Possibilities

Equipped with various interfaces, Blackview MP60 has compatible with more than 90% of mainstream peripherals. Headphones, mice, keyboards, and other devices can be connected at the same time. More importantly, MP60 works well with surveillance cameras, projectors, printers, monitors, and TVs.

Reliable Wireless Support

Keep You Well Connected

Thanks to 2.4G and 5G dual-band WiFi, Blackview MP60 enables fast wireless transmission with mobile devices. With Bluetooth 4.2 capabilities, MP60 is widely compatible with Bluetooth-enabled equipment. Ultra-fast network connectivity with up to 1000Mbps high-speed transmission speed, freeing you from the confines of a network cable for a better experience.

New Windows 11 Pro

Efficient Work, Private Protection

Blackview MP60, Driven by the newest operation system Windows 11 Pro, features that help you secure your devices, data, and applications and work more efficiently.

Pocket Size

Carried Away As You Wish

Small and only 390g, designed for flexibility, Blackview MP60 fits on a desktop, on a desk, and even behind your monitor. You can easily take the MP60 home in your bag and avoid the hassle of lugging around a large heavy computer mainframe to continue unfinished work.

- Intel® Processor N-series
- Up to 16GB DDR4 RAM + 1TB SSD
- UHD 4K Dual Screens Display Support
