IP68/IP69K/MIL-STD-810H Safeguards

That are Second to None

Rugged one-piece molding build with IP68 and IP69K ratings, and MIL-STD-810H certified, Armor X32 holds up to water, dust, sand, and accidental drops. Even in extreme cold and hot weather, it performs well without shutting down.

Corning® Gorilla® Glass 5

Raise the Bar for Protection

Not even the slightest scratch after months of being in your pocket with keys and coins, even after being scratched with a screwdriver. Armor X32 with Glass 5 survives accidental drops without shattering.

Dedicated Glare Flashlight

Light the Way Up

Discover the built-in rear dedicated glare flashlight. This powerful beam lights up your path, making it the perfect tool for outdoor enthusiasts and professionals alike. With its rugged design, 5500mAh large battery, Armor X32 is your trusted companion in any situation.

MediaTek Helio G91

Powerful Octa-Core Processor

The low consumption of Helio G91 extends the battery life of Armor X32. Octa-core design leads to less lagging during intensive tasks and gaming, and being responsive and fluid with Mali-G52 MC2 GPU high performance experience.

Up to 12 GB + 128 GB

Quick Game and APP Loading

Equipped with a maximum of 12GB RAM and 128GB storage, Armor X32 offers plenty of space for your media and apps. It also supports micro-SD cards up to 2TB for even more storage.

48MP Main Camera

Frame A Vivid Life

Seize every moment with breathtaking clarity using the ultra-high-resolution 48MP main camera. Coupled with advanced autofocus technology, it enhances image quality, making every snapshot
