- 10000mAh Battery Monster with 48days' Peace of Mind
- Hassle-Free. Hands-Free. Powered by Doke AI
- Breeze Through Tasks with Unisoc T615 Octa-core Processor & Up to 18GB RAM & 256GB ROM & 2TB TF Storage
- IP68&IP69K& MIL-STD-810H Certified Ruggedized Body
- AI-powered. Every Moment Retained Memorable
- Latest DokeOS 4.2 Based on Android 15

6.56-inch HD+ IPS Display

See More. Scroll Easy
The FORT 1 features a 6.56-inch HD+ display that gets the job done—clear, responsive, and easy to read whether you're indoors or under open skies. Built tough and sized right for real-world use, it balances visibility with portability.

Smart AI-adaptive 90Hz Refresh Rate

Every Swipe. Every Frame. Only Smoothness
Whether you're scrolling through messages, checking maps, or reviewing job updates, the FORT 1's Smart AI-Adaptive 90Hz refresh rate keeps things smooth when you need it, and switches to lower refresh rate when you don't.

60Hz

keeps things more efficient for reading, texting, or on standby.

90Hz

kicks in for smoother scrolling, more fluid swiping, and animations.

Eye Comfort Matters

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. Easier on the Eyes, Day or Night

Glove Mode 2.0

Touch Ready. Even with Glove On
Tap, swipe, and scroll without taking your gloves off.

10000mAh Gigantic Battery

Power Lasts. Day In & Day Out
With a massive 10000mAh battery, the FORT 1 is built to keep going long after others quit. Whether you're on a multi-day shift, off the grid, or deep in the field, you can work, navigate, and communicate without worrying about your next charge.

AI-adaptive Charging Protection

ensures safer charging and a long-lasting battery. +1 Year Longer Lifespan↑

AI Power Saving Algorithm

automatically adjusts background activity, brightness, and performance for extended battery life.

Over 500 Battery Cycles with 80% Battery Life Retained

means 2~3 worry-free use.

5W OTG Reverse Charging Support

Power to Share, Wherever You Are
Need to charge another device on the go? With 5W OTG Reverse Charging, the FORT 1 doubles as a portable power bank, letting you top up your earbuds, flashlight, or even a teammate's phone, no outlet needed. It's backup power in your back pocket.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. Hassle-Free. Hands-Free. Powered by Doke AI.

Doke AI on FORT 1 brings next-level intelligence to your daily grind — now integrated with the world's leading AI models, including DeepSeek-R1, ChatGPT-4o mini, and Gemini AI 2.0 Flash Thinking Experimental. Whether you're on-site, on the move, or off the beaten path, this rugged AI assistant keeps things simple, smart, and seamless.

Smarter Support, Wherever You Work

Voice Wakeup & Voiceprint Recognition

Your Voice. Your Access.

Just say the word — even with gloves on or hands full. FORT 1 wakes up instantly and securely with your unique voice.

Ask Fast. Get Answers Faster.

From quick updates to real-time advice, talk to your phone and get instant replies with 10 expressive voice styles like Nova, Orbit, or Vega — useful and human-like.

Screen-Aware Assistance

Help, Right on Your Display.
See a file, map, or image you need help with? Just ask. No app-switching. No distractions.

Global Smart Control

One Voice. Total Control.
Adjust settings, launch apps, and manage tools, all hands-free. Ideal when multitasking or wearing gloves on the job.

Doke AI Apps: Your Smartest Creative Sidekick

Hi Doki App AI Smart Chat Assistant

Your AI Mate for Every Task and Idea

Whether you're brainstorming on a build site or getting help with daily tasks, Hi Doki is always ready.

ImageX App

Powerful AI Photo Tools for Real-World Adventures
Even in the toughest environments, your photos deserve pro-level polish. With 18 AI editing features, ImageX on FORT 1 turns field snaps, outdoor shots, and daily moments into share-worthy visuals, fast and fuss-free.

AI Object Removal

Erase unwanted objects, strangers, or gear clutter in seconds. Keep the focus where it matters.

AI-adaptive Charging Protection

One tap does it all. Smart adjustments for lighting, color, and balance — no editing skills required.

AI Photo Retouching

Automatically smooth skin, fix lighting, and enhance portraits for a clean, natural look.

AI OutPainting

Expand the edges of your image to show more landscape, more context — more story.

AI Photo Blur

Blur messy or distracting backgrounds so your subject stands out sharp and clear.

AI Background Replace

From mountain trails to job sites — switch any background instantly to match your mood or message.

Blemish Remover

Effortlessly detect and refine blemishes, small spots, or imperfections on skin or photo surfaces, leaving your image flawless and pristine.

AI Clarity Enhancement

Sharpen blurry or low-light images so every detail pops — even in fast-moving conditions.

AI Picture Paste

Copy elements between photos. Place tools, tags, or people exactly where you want them.

AI Scratch Removal

Restore scratched, damaged, or aged images to near-original quality with a single tap.

AI B&W Colorization

Breathe new life into black-and-white photos by accurately restoring colors to every detail. Watch as people, landscapes, and even a ray of sunlight come alive, as if time has rewound.

AI Photo Rectification

Auto-fix tilted or off-angle shots for clean, straight, professional-looking photos.

AI Photo Cloning

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Duplicate objects for visual balance, storytelling, or just creative fun.

AI Photo Animation

Add subtle motion to portraits — make faces move, blink, or smile for a dynamic touch.

AI Spiral Effect

Apply striking spiral overlays that transform ordinary shots into scroll-stopping art.

Replace Sky

Upgrade dull skies with epic sunsets, dreamy clouds, or dramatic weather with a single tap.

AI Double Exposure

Merge two images into one — perfect for cinematic vibes or bold storytelling.

AI Radical Color Contrast

Turn washed-out colors into vivid brilliance, ideal for outdoor lighting or rough conditions.

VidGen App

Smart AI Video Editor
Bring Your Outdoor Stories to Life
Whether you're climbing, building, camping, or capturing the everyday, VidGen turns your raw moments into dynamic, ready-to-share videos in just a few taps.

Turn Text to Video

Describe the scene or idea, and let AI build a vivid visual story — from action recaps to how-to guides.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. shop.cssi.co.za | sales@cssi.co.za | +27 (11)541-9950

Turn Photos to Video

Have a bunch of stills? Watch them come alive as AI stitches them into smooth, cinematic memories.

Soundle App

Smart AI Music Composer
Make Music. Anywhere. Anytime.
No instruments? No studio? No problem. With Soundle, your rugged phone becomes a music lab, perfect for turning moments into soundtracks on the go.

Unisoc T615 Octa-core Processor

Powered to Keep Up

Up to 18GB RAM (6GB + 12GB Expansion)

More Memory. Smoother Missions.

Up to 18GB RAM=
6GB RAM + 12GB Expansion

20% Faster Response Speed↑

Atomized Memory 2.0

9% More RAM Available↑

256GB ROM + 2TB TF Expansion

Storage That Goes the Distance
No more running out of space on the job or off the grid. With 256GB built-in and support for up to 2TB TF cards, FORT 1 stores it all—maps, photos, videos, and mission-critical files—right at your

fingertips.

Over 120,72mm Cooling Area

Cool Performance, Unstoppable Gaming
Equipped with a powerful integrated cooling system covering 12,072mm, FORT 1 ensures efficient heat dissipation for sustained peak performance—even during long gaming sessions. Say goodbye to overheating and enjoy uninterrupted gameplay.

IP68&IP69K& MIL-STD-810H Certified Ruggedized Body

Every Edgy Is Reinforced. Every Detail, Mission Ready.
Water- & Dust-proof With IP68 & IP69K Certified

Built to Endure. Engineered to Perform

Reinforced with Panda Glass and sealed edge-to-edge for superior water resistance—even survives drops in sinks or washing machines.
Waterproof inside and out with refined mesh filters—stay crisp and clear no matter the splash or storm.
Made from corrosion-resistant aluminum and sealed with waterproof rings for reliable control in rain, mud, or dust.
Tightly sealed Asahi glass keeps lenses clear and dry, even underwater.
TPU port covers keep out 99% of water and dust—tested over 10,000 times for worry-free outdoor use.
One tap blasts water and dust from your speaker using smart soundwave tech—keeping your audio crisp anytime, anywhere.

Toughest MIL-STD-810H

Certified Rugged. Ready for Anything.
Tested to meet the rigorous MIL-STD-810H standard, FORT 1 is built to survive extreme conditions—heat, cold, humidity, drops, dust, and vibrations. Whether you're on a construction site,

a mountain trail, or out in the rain, it keeps going when others give up.

Reinforced for the Roughest Falls

Built tough from the inside out, FORT 1 shrugs off drops, shocks, and rough handling—without the bulky look.

Anti-Collision Corners

Specially reinforced edges absorb shocks where it matters most.

Durable Back Cover

High-strength shell + soft rubber = serious drop resistance.

Aviation-Grade Metal Frame

Tough aluminum alloy, secured with screws—solid and steady.

Real-Life Resilience, Wherever You Go

Slipped into a creek while canyon trekking
Dropped during a warehouse delivery
Bounced off rocks on a mountain trail
Knocked off the truck at the job site

AI Magic. Every Shot, Adventure-Ready.

No filters. No retakes. Just smart, rugged editing that works wherever you are-mud, dust, or mountains.

Magic Eraser

Clear out crowds, clutter, or chaos with one tap. Only keep what matters.

One-Tap Sky Replacement

Rainy shot? Dull skies? Swap them out for sunshine, stars, or stormy drama.

Portrait Blur

Make your crew pop-bur the background, not the moment.

Color Focus

Mute the mess, highlight your vibe. The bold stands out better.

Photo Unblur

Shaky hands? Dustylens? Al sharpens it like it never happened.

Portrait Light

Low light, no problem. You stay lit-even at dusk or under campfire glow.

16MP AI Main Camera

Clear Shots. Real Moments.
From jobsite details to weekend adventures, the 16MP AI main camera captures it all—sharp, vivid, and ready to share. No fuss, just great results every time you click.

Face Fill Light

Light Up When Nature Doesn't

Forget dark, grainy selfies. With built-in Face Fill Light, your face stays bright and clear—even in low light, backlight, or no light at all.

HDR

Balanced & Ture-to-Life

High Dynamic Range(HDR) captures every detail—enhancing contrast, color, and light so your photos pop, even in tricky lighting.

Portrait

Depth That Draws Attention

Bring your subject into sharp focus with background blur that adds depth and drama—powered by AI for that perfect pro-style look.

Beauty

Look Fresh, Feel Natural

Smooth skin, brighter tone, and a touch of AI magic—perfect for quick selfies that still feel real.

Night

Bright Nights, Clear Details

Capture the night without the noise. Automatically enhanced exposure brings out sharp, vivid scenes, even in low light.
